**PETITION UNDER 37 C.F.R. §1.181(a)(1) AND MPEP §1002.02(c)3.(b) TO
WITHDRAW HOLDING OF ABANDONMENT**

Commissioner of Patents and Trademarks
Washington, DC 20231

Dear Sir:

On September 4, 2002, a letter from the Office was mailed to Applicant but was never received by Applicant. For failing to respond to such Office letter, the above-captioned application was abandoned. Applicant hereby petitions the holding of abandonment.

THE FACTS

On June 28, 2002, Applicant timely submitted by facsimile an Amendment in response to a non-final Office Action with respect to the above-captioned application.

09/756,832

Received from < 845 892 6363 > at 6/19/03 3:36:39 PM [Eastern Daylight Time]

FIS920000300US1

On or about April 10, 2003, Examiner Zidia Pittman telephoned the Applicant's representative (hereafter the "Undersigned") in regards to a Notice of Compliance mailed by the Office on or about September 4, 2002.

The Undersigned indicated to Examiner Pittman that such Notice of Compliance had not been received by Applicant. The Undersigned requested a copy of such Notice of Compliance so that Applicant could understand in what manner the above-captioned application is not in compliance and also respond to the Notice of Compliance.

Subsequent to the above telephone conversation, Examiner Pittman mailed a Notice of Abandonment to Applicant. Examiner Pittman never supplied a copy of the Notice of Compliance to the Undersigned or Applicant.

ARGUMENT AND RELIEF REQUESTED

The Undersigned never received the Notice of Compliance. A search of the file jacket and docket records indicates that the Notice of Compliance was not received.

All activities relating to a particular application, particularly correspondence from the Office, are noted on the outside of the docket folder. Attached as Exhibit A is a copy of the outside of the docket folder for the above-captioned application. Absent from the outside of the docket folder is the Notice of Compliance for the above-captioned application.

All incoming Office correspondence is recorded in a mail log in the Undersigned's office. Attached as Exhibit B is the mail log from September 4, 2002, through December 4, 2002. The "Document Date" is the date the correspondence was received by the Undersigned's office. An examination of the

mail log for the foregoing period indicates the absence of the Notice of Compliance for the above-captioned application.

All incoming Office correspondence is also docketed in a docket log in the Undersigned's office and in IBM's computerized docket tracking system. Attached as Exhibit C is the docket log from September 4, 2002, through December 4, 2002. The "Event Date" is the mailing date of the correspondence from the Office. An examination of the docket log for the foregoing period indicates the absence of the Notice of Compliance for the above-captioned application. Attached as Exhibit D is the record for the above-captioned application from IBM's computerized docket tracking system. Marked in such record is a section entitled "Prosecution Events". The "Date" is the date the correspondence was mailed from the Office or mailed/faxed to the Office as the case may be. An examination of such Prosecution Events section indicates the absence of the Notice of Compliance for the above-captioned application.

It is noted that when Applicant filed the Amendment on June 28, 2002, Applicant also submitted a Change of Correspondence Address which was duly noted on the facsimile transmittal sheet when such Amendment was faxed to the Office.

A review of this Petition and Exhibits A to D submitted therewith compels the conclusion that the Notice of Compliance was not received by the Undersigned or Applicant.

In view of the foregoing arguments and remarks, Applicant respectfully requests that this Petition under 37 CFR §1.181(a)(1) be granted, the holding of abandonment be rescinded and the Notice of Compliance be mailed to Applicant.

TIMELINESS

This Petition is being filed within two (2) months of the action complained of and so is deemed to be timely.

FEE

It is believed that no fee is required for this Petition. However, if a fee is required, the Commissioner is hereby authorized to charge payment of such fee to our Deposit Account No. 09-0458.

Respectfully submitted,
Lannie R. Bolde, et al.

A method for separating a semiconductor device from substrate in a fixture having a shearing element where the semiconductor device is attached to the substrate by solder connections to form an assembly, the method comprising:

applying a loading force to drive the shearing element away from its home position to which it is urged by a mechanical biasing force into a loading position,

loading the assembly of the substrate and the semiconductor device into the fixture with the shearing element proximate to the semiconductor device,

removing the loading force to apply a shearing force derived from the mechanical biasing force which is and applied by the shearing element to the semiconductor device, and

heating the solder connections of the assembly in the fixture to a predetermined temperature.
